WASHINGTON, May 16--1 20 p. m.

Senate is now discussing mo-
tion to adjourn.

All honor to the senators who
respected their oaths instead of
party influences.

Let the Democracy--let every
friend of constitutional liberty--
rejoice that the conspirators are
defeated in their infamous
schemes of usurpation and des-
potism.

The 11th article was the test.
Of course the President was ac-
quitted on all the rest.
